2006 Chardonnay, Santa Cruz Mountains

Our Vineyard

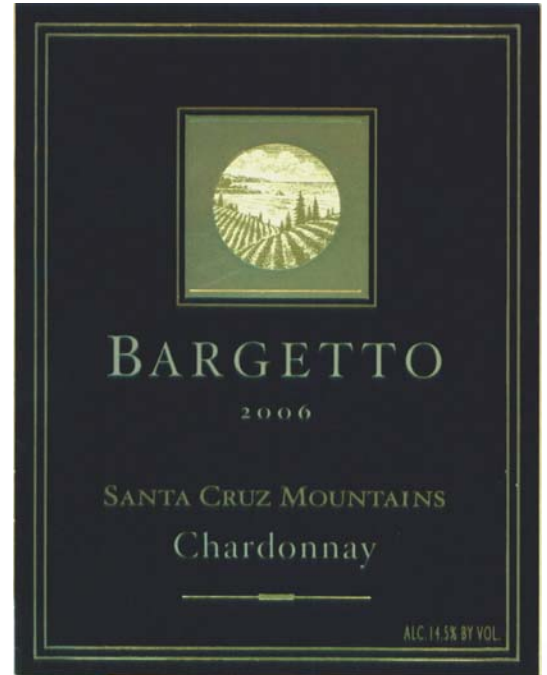

BARGETTO WINERY'S Regan Estate Vineyards is nestled in the foothills of Santa Cruz Mountains at 500 ft. elevation. Its close proximity (7 miles) to the waters of the Pacific Ocean yields grapes with intense concentration of flavors and good acid structure. Limited yields also contribute to the production of rich wine capable of extended aging.

Winemaker's Notes

The 2006 Chardonnay Santa Cruz Mountains is a blend of two clones of Chardonnay from the estate vineyard. Half of the wine is the Mount Eden clone, which develops later in the season than Clone 4, the other constituent.

The blend of two clones exhibits aromas of melon, citrus and honey aromas. This follows through with additional flavors of toasty oak, butterscotch and vanilla from the oak aging and a viscous mouth feel with crisp finish.
