## 2023 Rose of Syrah, Santa Clara Valley

### OUR HISTORY

BARGETTO WINERY has been dedicated to producing fine Santa Cruz Mountain wines since 1933. As one of California's most historic wineries, and the oldest winery of the Santa Cruz Mountains, the third generation of Bargettos continues to pursue winemaking excellence and innovation.

### THE APPELLATION

French and Italian immigrants who settled in the Santa Clara Valley during the Gold Rush era recognized the rich soils and Mediterranean climate as the perfect New World home for their European grape varietals. The valley is largely protected from the influence of the Pacific Ocean by the Santa Cruz Mountains, although coastal breezes enter at Hecker Pass to the west to moderate the climate.

### WINE MAKER'S NOTES

Our 2023 Rosé of Syrah comes from Dorcich Vineyards in the Santa Clara Valley. The grapes were whole cluster pressed immediately after being harvested to minimize skin contact, which resulted in the beautiful light watermelon-pink color. This wine showcases lovely aromas of rose petal and wild berries. On the palate, it is both savory and fruit-forward, with notes of strawberry, cherry, watermelon, and peach. This Rosé is dry with bright, mouthwatering acidity, making it the perfect wine for a warm summer day. This wine should be enjoyed young, and served chilled. Pairs well with seafood and light pasta dishes.

Suggested Retail: \$19.00

### TECHNICAL STATS

Composition .....	100% Syrah
Appellation .....	Santa Clara Valley, CA
Vineyard(s) .....	100% Dorcich Vineyard
Harvest Dates .....	10/4/2023
Harvest Sugar .....	22 ° Brix
