2016 Mount Eden Clone Pinot Noir, Santa Cruz Mountains

Our History

BARGETTO WINERY has been dedicated to producing fine Santa Cruz Mountains wines for 85 years. As one of California's most historic wineries, and the oldest winery of the Santa Cruz Mountains, the third generation of Bargettos continues to pursue winemaking excellence and innovation.

Our Estate Vineyard

BARGETTO WINERY'S Regan Estate Vineyard is located on a southwest slope in the Santa Cruz Mountains, overlooking the majestic Monterey Bay. This cool climate vineyard allows the grapes to develop rich and complex flavors over an exceptionally long growing season. These distinct and age-worthy wines from Regan Vineyards reflect this unique location. We are committed to sustainable winegrowing practices such as: cover crops, biodiesel, solar electricity and biological pest control.

Winemaker's Notes

Once again, the Mount Eden clone is the rock star of the four clones of Pinot Noir grown at Regan Vineyards. This clone produces a wine that is fruit forward and vibrant, with a delectable richness on the palate. This Mount Eden clone makes up 85% of the 2016 blend, with the remaining 15% being the Martini clone, which is more delicate and nuanced to balance out the blend.

The 2016 Mount Eden Clone Pinot Noir is introduced with its deep garnet color. Aromas of jammy fruit, seasoned oak, earth and baking spice mingle pleasantly. On the palate, bright fruit flavors of strawberry and cherry are complimented by the toasty, sweet vanilla notes from the French oak barrels in which this wine was aged. This Pinot Noir is medium-bodied, with mouth-filling tannins and a long finish. This wine is best enjoyed now through 2023.

Food pairings include rack of lamb, pork chops and eggplant parmesan.
