

Raspberry Mead

THE WINE

The flavor of this wine explodes with raspberry and honeysuckle. The wine is a blend of our CHAUCER'S Mead and a small portion of our CHAUCER'S Raspberry Wine. Less sweet than our regular Mead, this wine finishes with a lingering crisp raspberry and honeysuckle impression.

\$16.00 / 750ml bottle

PRODUCTION NOTES

This wine is a blend of our Mead and Raspberry Wine. A blend of honey wine and fruit such as this is known as Melomel and has been enjoyed for centuries. The raspberries for this wine are from Driscoll's berry growers in nearby Watsonville, CA. The honey used to make the Mead is a blend of alfalfa, orange blossom, sage and mountain wildflower collected from our local beekeepers in Northern California.

FOOD PAIRING SUGGESTIONS

- Enjoy with dried fruits and nuts.
- Great with chocolate mousse and other chocolate desserts.

AWARDS

- 91 pts.
CA State Fair Wine Competition
