

Blackberry Wine

THE WINE

Our Blackberry Wine is made from pure blackberry fruit. The dark, rich berry aromas leap from the glass. Flavors are reminiscent of grandma's blackberry pie. This wine is always a pleasure to enjoy with friends and family.

PRODUCTION NOTES

The fruit for this delicious wine was grown in an orchard near Watsonville, CA – a cool region with seasonal morning fog during the summer, ideal for the production of quality berries. Well-drained, sandy loam soils along the Pajaro River and Corralitos Creek continue to yield berries with naturally high acids and intense flavor.
