2017 Pommard Clone Pinot Noir, Santa Cruz Mountains

Our History

BARGETTO WINERY has been dedicated to producing fine Santa Cruz Mountain wines for 85 years. As one of California's most historic wineries, and the oldest winery of the Santa Cruz Mountains, the third generation of Bargettos continues to pursue winemaking excellence and innovation.

Our Estate Vineyard

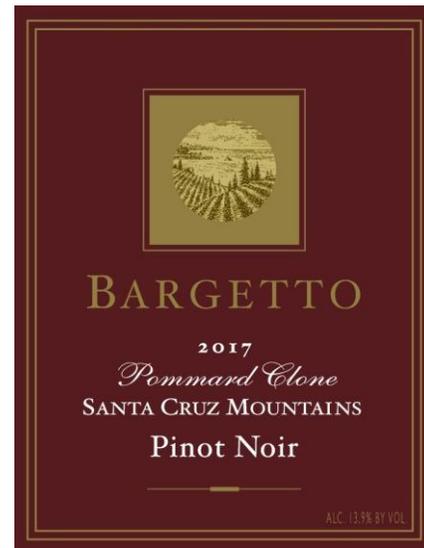

BARGETTO WINERY'S Regan Estate Vineyard is located on a southwest slope in the Santa Cruz Mountains, overlooking the majestic Monterey Bay. This cool climate vineyard allows the grapes to develop rich and complex flavors over an exceptionally long growing season. These distinct and age-worthy wines from Regan Vineyards reflect this unique location. We are committed to sustainable winegrowing practices such as: cover crops, biodiesel, solar electricity and biological pest control.

Winemaker's Notes

The Pommard clone is one of four clones of Pinot Noir grown at Regan Vineyards. This juicy, fruit forward clone is known for making a great stand-alone wine, and it grows particularly well at Regan Vineyards. The color is a beautiful ruby red with excellent clarity. The wine opens with an array of fruity, spicy, and earthy aromatics that jump out of the glass. Fresh cranberries, warm rhubarb pie, clove, rosemary, and hints of vanilla bean and toasted oak fill the nose. Aromatic hints of earth, mushroom and minerality show off the unique terroir of the Santa Cruz Mountains and add a layer of intrigue to the wine. The palate is lively with ripe raspberry and cherry flavors, and a refreshingly clean acidity that contributes to a lengthy finish.

Food pairings include: warm Brie cheese, lamb chops, and shish kabob
