2018 Chardonnay, SCM Regan Estate Vineyards *Reserve*

Our History

BARGETTO WINERY has been dedicated to producing fine Santa Cruz Mountain wines since 1933. As one of California's most historic wineries, and the oldest winery of the Santa Cruz Mountains, the third generation of Bargettos continues to pursue winemaking excellence and innovation.

Our Estate Vineyard

BARGETTO WINERY'S Regan Estate Vineyard is located on a southwest slope in the Santa Cruz Mountains, overlooking the majestic Monterey Bay. This cool climate vineyard allows the grapes to develop rich and complex flavors over an exceptionally long growing season. These distinct and age-worthy wines from Regan Vineyards reflect this unique location. The winery is committed to sustainable winegrowing practices such as: cover crops, biodiesel, solar electricity and biological pest control.

Winemaker's Notes

The 2018 Reserve Chardonnay is a blend of two clones of Chardonnay from our estate vineyard. Clone 4 tends to be ripe and rich, with tropical fruit characteristics. The Mount Eden Clone expresses more minerality and vibrant acidity. Both lots were fermented cold in tank to preserve fruity esters, then transferred to barrels for secondary fermentation and aging. Each barrel is carefully tasted and rated, and only the very best barrels make the Reserve blend.

Pleasant aromas of butterscotch and caramel dominate the nose, with hints of citrus and stone fruits underneath. Lime zest, green apple, and various tropical fruit notes are present on the palate. A healthy, but not overpowering dose of French oak adds sweetness and weight to the wine. This Chardonnay has a rich creamy texture and balanced acidity, making for a long lingering finish.

Food pairings include: creamy cheeses, fish and chicken entrees.
