THE BARGETTO WINERY HERITAGE

A SANTA CRUZ MOUNTAINS TRADITION

THE APPELLATION

It has long been known that quality wines are grown in the vineyards of the Santa Cruz Mountains. BARGETTO WINERY'S history has been inextricably tied to these mountains, the winegrowing region in which our finest wines are grown.

The Santa Cruz Mountains appellation is a viticultural area possessing unique geographical characteristics and one that has had a long winemaking tradition. The combination of cool, marine-influenced temperatures and shallow, well-drained soils yield distinctive wines. These characteristics convinced the BATF in 1982 to approve the Santa Cruz Mountains as the first appellation in the country defined by a mountain range. It has become known as “America's Premier Mountain Appellation.”

The Santa Cruz Mountains has been recognized as a premium wine-producing region since the late 1800's.

Appreciated even 100 years ago, wine experts awarded a host of medals to the wines of the Santa Cruz Mountains at the prestigious 1889 International Exposition in Paris. Through the ensuing decades, with the rugged mountain terrain precluding large vineyards, the scarcely available wines of the area continued to gain a premium reputation. The noted American wine authority, Frank Schoonmaker, wrote in his book *American Wine* (1941), “California's best table wines, whether white or red may be expected to come from the Santa Cruz Mountains, from the Napa Valley, and from Sonoma County.” Today the Santa Cruz Mountains has gained a national reputation for producing some of California's finest wines.

THE FOUNDERS

The Bargetto family winemaking heritage in the Santa Cruz Mountains began in 1890 when Giuseppe Bargetto and his son, Philip, emigrated from Castelnuovo Don Bosco, a small town in the Piedmont region of northern Italy. Having traveled by train across the United States, they immediately went to work at the Casa Delmas Winery in Mountain View. They brought with them generations of winemaking experience.

In 1909 John joined his brother Phillip in San Francisco. The original Bargetto family winery was located in San Francisco from 1910–1917. The name of this winery was South Montebello Vineyard and Wine Company. The grapes were brought by rail car most likely from the Santa Cruz Mountains.

With Prohibition on the horizon the winery was closed and the brothers moved to Soquel in 1917.

Philip and John purchased the present site of BARGETTO WINERY in 1920. During Prohibition (1919-1933), the brothers operated a “truck farm” whereby they grew and sold vegetables throughout Santa Cruz County. They continued to make wine for family and friends.

In 1922 the hardworking brothers purchased a 40-acre ranch in the Soquel hills above the present site of BARGETTO WINERY. Here they grew fruit and had some grapevines as well.

On December 5, 1933, the day Prohibition ended, the brothers opened BARGETTO WINERY along the banks of the Soquel Creek. Phillip Bargetto passed away in 1936 and John was left to operate both the ranch and the winery until the 1940s. After World War II, both of John's sons Lawrence and Ralph joined the family business upon graduating from college.

THE NEXT GENERATION

The Bargetto Family winemaking heritage continued with John's son Lawrence taking the reins as president in 1964 until 1982. During his time, Lawrence provided key vision for the winery by introducing modern improvements such as refrigerated stainless steel fermentation, and barrel aging. Furthermore, Lawrence expanded the production of Santa Cruz Mountain's varietals by adding Pinot Noir and Chardonnay; drawing from local outstanding vineyards such as Vine Hill Vineyards. He also introduced the CHAUCER'S line of dessert-style wines.

TODAY

Today, the third generation of Bargetto family directs the operation which stands as the most historic winery in the Santa Cruz Mountains. In 2023 we celebrated our 90th anniversary. The family's pioneering spirit continued with the establishment of Regan Estate Vineyards in the Santa Cruz Mountains. Chardonnay, Merlot and Pinot Noir are all grown in the estate vineyard. Also, in keeping with the family heritage, northern Italian varietals Dolcetto, Nebbiolo, and Refosco are grown. A blend of these varietals results in the distinctive LA VITA wine, with each year's unique label creating an art series.

The famed northern Italian white varietal, Pinot Grigio, is also planted in Regan and has become our most popular varietal wine.

SANTA CRUZ MOUNTAINS WINEGROWING APPELLATION

THE SANTA CRUZ MOUNTAINS

...

The Santa Cruz Mountains has been recognized as a premium wine producing region since the late 1800's when local winegrowers first began to win acclaim for their wines in national and international competitions. Few of these original wineries survived prohibition, but many new wineries have developed since the 1940's. In 1981 the Santa Cruz Mountains Viticultural Appellation became federally recognized, one of the first American viticultural areas to be defined by geophysical and climactic factors. The appellation encompasses the Santa Cruz Mountain range, from half Moon Bay in the north, to Mount Madonna in the south. The east and west boundaries are defined by elevation, extending down to 800 feet in the east and 400 feet in the west.

MERLOT

Traditionally planted in warm climate, Merlot has thrived in the cool climate of Regan Vineyards. It yields a wine with deep color and rich fruit flavors. BARGETTO WINERY produces Regan Vineyards Reserve Merlot and Santa Cruz Mountains Merlot.

CHARDONNAY

At Regan Vineyards, two clones of Chardonnay have been planted. The Mt. Eden clone was brought to the SCM by Paul Masson in the 19th Century. This clone comes from Corton-Charlemagne in Burgundy, France, one of the finest Chardonnays of the world. Clone 4 is a larger cluster clone; this clone is the standard for most north coast vineyards. While this clone doesn't produce a wine of equal depth of Mt. Eden, it does offer a fruitiness that compliments the Mt. Eden.

PINOT NOIR

Each clone is vinified separately and then depending on the vintage, all or part of each clone will make it to the final Pinot Noir blend. The finest lots yield our Reserve wine. BARGETTO WINERY specializes in Pinot Noir: Mt Eden Clone, Reserve, Pommard Clone, Santa Cruz Mountains, and Monterey County.

PINOT GRIGIO

Regan Vineyards is the first vineyard in the Santa Cruz Mountains to plant Pinot Grigio. It's a relative to Pinot Noir and its name means gray pinot-but its color when ripe is actually bronze. Pinot Grigio, when grown in our cool site, creates an amazingly flavorful wine.

DOLCETTO

Three varieties go into the production of our ultra-premium Italian blend LA VITA: Dolcetto, Nebbiolo and Refosco. Of the three, the Dolcetto produces the most grandiose size clusters-some weighing as much as two pounds. The Dolcetto is the most significant part of the LA VITA blend. It is grown in the Bargetto's hometown of Castelnuovo Don Bosco, located in the Piedmont region of northern Italy.

NEBBIOLO

Nebbiolo in Italy yields two of the most famous red wines: Barolo and Barbaresco. To achieve intensity in flavor and color, we thin 75% of the fruit leaving only 25% remaining. Nebbiolo's yield is typically light and the fruit comes with naturally high acidity and tannin.

REFOSCO

This grape yields a wine with very deep purple color and a unique black pepper aroma. It ripens very late and in many vintages is not picked until November. The Refosco, along with the Dolcetto and Nebbiolo, go into the LA VITA wine which is released after five years of aging.

2020 LA VITA, Santa Cruz County, Regan Estate Vyds.

Our History

At BARGETTO WINERY, we have been dedicated to producing fine Santa Cruz Mountain wines for over 90 years. As one of California's most historic wineries, and the oldest winery of the Santa Cruz Mountains, the third generation of Bargetto's continues to pursue winemaking excellence and innovation.

The Estate Vineyard

BARGETTO WINERY'S Regan Estate Vineyard is located on a southwest slope in the Santa Cruz Mountains, overlooking the majestic Monterey Bay. This cool climate vineyard allows the grapes to develop rich and complex flavors over an exceptionally long growing season. These distinct and age-worthy wines from Regan Vineyards reflect this unique location. We are committed to sustainable winegrowing practices such as: cover crops, biodiesel, solar electricity and biological pest control.

Winemaker's Notes

Our 2020 La Vita blend features Dolcetto as the leading component, followed by Nebbiolo and Refosco. This unique Northern Italian blend is big and bold but has distinct old-world character. Refosco and Dolcetto contribute darker fruit and structure to the blend, while Nebbiolo brings lively aromatics and bright color. Fruity notes of black plum and cranberry are met with black pepper, licorice and savory spice. This wine was aged a lengthy 30 months in the barrel and another year in the bottle prior to release but will continue to improve as its rich tannins soften. This wine is ready to enjoy now but can be cellared for another 5-10 years if you prefer.

Part of the proceeds from the sale of LA VITA goes to a non-profit organization in Santa Cruz County. We are pleased to be able to, in a formal way, give back some of the proceeds to the Santa Cruz community, which has been so supportive to BARGETTO WINERY and the Bargetto family through the years. The 2020 La Vita Beneficiary is Cabrillo Festival of Contemporary Music!

Food pairings include: creamy cheeses, rich Italian dishes, tri-tip, and meatballs.

Winemaker's Notes

The 2022 Reserve Chardonnay is a blend of two clones of Chardonnay from our estate vineyard. Clone 4 tends to be ripe and rich, with tropical fruit characteristics. The Mount Eden Clone expresses more minerality and vibrant acidity. Each barrel is carefully tasted and rated, and only the very best barrels make the Reserve blend.

Pleasant aromas of butterscotch and lemon zest dominate the nose, with notes of green apple and stone fruits underneath. A healthy, but not overpowering dose of French Oak adds sweetness and elevates the wine beautifully. This Chardonnay has a rich creamy texture and balanced acidity, making for a long lingering finish.

2021 Pinot Grigio, Regan Vineyards, Santa Cruz Mountains

Our History

BARGETTO WINERY has been dedicated to producing fine Santa Cruz Mountain wines for 90 years. As one of California's most historic wineries, and the oldest winery of the Santa Cruz Mountains, the third generation of Bargetto's continues to pursue winemaking excellence and innovation.

Our Estate Vineyard

BARGETTO WINERY'S Regan Estate Vineyard is located on a southwest slope in the Santa Cruz Mountains, overlooking the majestic Monterey Bay. These distinct and age-worthy wines from Regan Vineyards reflect this unique location. The winery is committed to sustainable winegrowing practices such as: cover crops, biodiesel, solar electricity, and biological pest control.

Winemaker's Notes

Pinot Grigio (Italian) and Pinot Gris (French) are two different styles of wine made from the same grape. Although this wine is made in the Pinot Gris style, we decided to call it Pinot Grigio in keeping with our Italian heritage. This wine was fermented in neutral barrels, then aged "sur lie" for 6 months in those barrels. A partial malo-lactic fermentation coupled with the barrel aging adds an undeniable richness and complexity to this unique wine.

The wine is a beautiful golden straw color with brilliant clarity. The nose is vibrant with citrus notes of lemon rind, lemongrass, and tangerine. Flavors of ripe, juicy stone fruits tango with vibrant citrusy notes on the palate. The naturally high acidity in this Santa Cruz Mountains Pinot Grigio holds the wine together, and creates a long, mouth-watering finish.

2022 Rosé of Syrah, Santa Clara County

Our History

BARGETTO WINERY has been dedicated to producing fine Santa Cruz Mountain wines for more than 90 years. As one of California's most historic wineries, and the oldest winery of the Santa Cruz Mountains, the third generation of Bargetto's continues to pursue winemaking excellence and innovation.

The Appellation

French and Italian immigrants who settled in the Santa Clara Valley during the Gold Rush era recognized the rich soils and Mediterranean climate as the perfect New World home for their European grape varieties. The valley is largely protected from the influence of the Pacific Ocean by the Santa Cruz Mountains, although coastal breezes enter at Hecker Pass to the west to moderate the climate.

Winemaker's Notes

Our 2022 Rosé of Syrah comes from Cordevalle Vineyards in the Santa Clara Valley. The grapes were whole cluster pressed immediately after being harvested to minimize skin contact, which resulted in the beautiful light watermelon-pink color. This wine showcases lovely aromas of wild berries and rose petals. On the palate, it is both savory and fruit-forward, with notes of strawberry, cherry, watermelon, and peach. Crisp with bright, mouth-watering acidity makes this wine especially perfect for on a warm summer day. This wine should be enjoyed young, and served chilled.

2021 Zinfandel, Lodi “OLD VINE” (retro label)

Our History

BARGETTO WINERY has been dedicated to producing fine Santa Cruz Mountain wines since 1933. As one of California’s most historic wineries, and the oldest winery of the Santa Cruz Mountains, the third generation of Bargettos continues to pursue winemaking excellence and innovation.

About the Appellation

Lodi has been a premium wine grape growing area as long as the Santa Cruz Mountains, both of which date back to the 19th century.
