2023 Tuxedo Red, Red Blend

Our History

BARGETTO WINERY has been dedicated to producing fine Santa Cruz Mountain wines since 1933. As one of California's most historic wineries, and the oldest winery of the Santa Cruz Mountains, the third generation of Bargetto's continues to pursue winemaking excellence and innovation.

Our Estate Vineyard

A few of the nine wines that comprise Tuxedo Red were grown in Regan Estate Vineyard. BARGETTO WINERY'S Regan Estate Vineyard is located on a southwest slope in the Santa Cruz Mountains, overlooking the majestic Monterey Bay. This cool climate vineyard allows the grapes to develop rich and complex flavors over an exceptionally long growing season. These distinct and age-worthy wines from Regan Vineyards reflect this unique location. We are committed to sustainable winegrowing practices such as: cover crops, biodiesel, solar electricity and biological pest control.

Winemaker's Notes

The 2023 Tuxedo Red is a mysterious blend of nine different varietals, each bringing its own alluring character to the blend. Aromas are fruit-forward, with notes of black cherry, blackberry, and plum. On the palate ripe fruit character is complemented with hints of mocha, licorice, black pepper, and a subtle touch of oak. This flavorful red blend is medium-full bodied, yet soft and approachable, making it a perfect everyday table wine. Enjoy before your cat nap.

Best food pairings include BBQ tri-tip and grilled game meats.
