## 2024 Rosé of Syrah, Santa Cruz County

### Our History

BARGETTO WINERY has been dedicated to producing fine Santa Cruz Mountain wines for more than 90 years. As one of California's most historic wineries, and the oldest winery of the Santa Cruz Mountains, the third generation of Bargetto's continues to pursue winemaking excellence and innovation.

### The Appellation

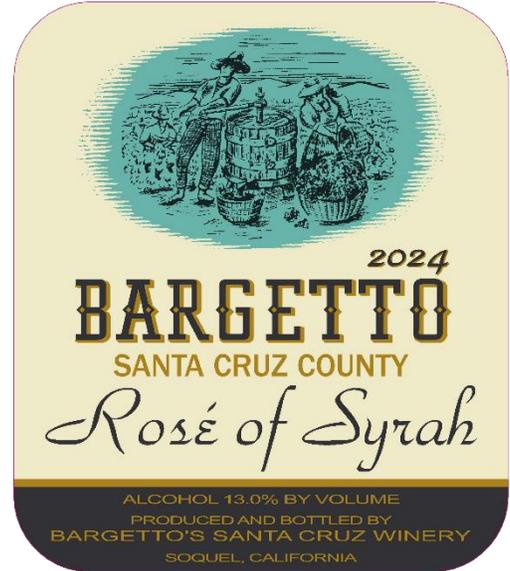

French and Italian immigrants who settled in the Santa Clara Valley during the Gold Rush era recognized the rich soils and Mediterranean climate as the perfect New World home for their European grape varieties. The valley is largely protected from the influence of the Pacific Ocean by the Santa Cruz Mountains, although coastal breezes enter at Hecker Pass to the west to moderate the climate.

### Winemaker's Notes

Our 2024 Rosé of Syrah comes from Regan Vineyards. The grapes were whole cluster pressed immediately after being harvested to minimize skin contact, which resulted in the beautiful light salmon color. This wine showcases lovely aromas of fresh flowers, watermelon and strawberries. On the palate, this wine is fresh, savory, and fruity. Crisp with bright, mouth-watering acidity makes this wine especially perfect for on a warm summer day. This wine should be enjoyed young and served chilled.

Best food pairings include: seafood or light pasta dishes.
