2024 Mount Eden Clone Pinot Noir, Santa Cruz Mountains

Our History

BARGETTO WINERY has been dedicated to producing fine Santa Cruz Mountain wines since 1933. As one of California's most historic wineries, and the oldest winery of the Santa Cruz Mountains, the third generation of Bargetto continues to pursue winemaking excellence and innovation.

Our Estate Vineyard

BARGETTO WINERY'S Regan Estate Vineyard is located on a southwest slope in the Santa Cruz Mountains, overlooking the majestic Monterey Bay. This cool climate vineyard allows the grapes to develop rich and complex flavors over an exceptionally long growing season. We are committed to sustainable winegrowing practices such as: cover crops, biodiesel, solar electricity and biological pest control.

Minimum Intervention

In order to capture this wine's distinct character, we have utilized *minimum intervention* techniques such as fermenting with native yeast and bottling without fining or filtering.
